## In Their Own Words

### Student Testimonials

"The Future Center helped me and other students stay focused on what we need to achieve to get us to the next level. I would like younger students to stay on task and come to the Future Center for applications and job information. They should take advantage of the Center and visit with the advisor as soon as possible."

## Spring Job Fairs: April 24 and May 1

For the third year in a row, La Crosse Promise will hold their annual Job Fairs at Central High School on April 24 and at Logan on May 1. These further our efforts in connecting area students with the local workforce. The fairs are scheduled from 11:30 a.m. to 1 p.m. in conjunction with student's lunch periods.

The number of students attending grows each year and many employers have returned to participate.

Amy Bettis, Human Resources and Training Coordinator at Empire Screen Printing, has attended the fairs every year.

"At Empire Screen Printing, we want to share in La Crosse Promise's efforts being a positive catalyst for change in our community through education, career mentoring and neighborhood revitalization," she said. "La Crosse Promise administers this mission of civic pride and youth investment with compassion and enthusiasm. We are proud to stand alongside La Crosse Promise in this mission."

Employers attending will be announced in April. For more information, call 608.789.2049 or email [klueth@lacrossepromise.org](mailto:klueth@lacrossepromise.org).
