La Crosse Promise Future Center Fair Registration

Future Center Fairs are held at Logan and Central High Schools to provide La Crosse high schoolers access to and information about the wide range of opportunities that exist beyond high school. This is an opportunity to reach the entire student bodies of these high schools to showcase your organization and make connections.

There is a registration fee of \$25 for one fair or \$40 for both fairs to help cover costs. Registration includes table, chairs and lunch for up to two attendees. Please send payment to La Crosse Promise, PO Box 2394, La Crosse, WI 54602-2394, or drop off at the Future Center, room 243, at Central High School. Online payment can be made at:
<https://lacrossepromise.org/support/>.

La Crosse Promise Future Centers are advising centers in Central and Logan High School that connect high school students with the resources to support their post-high school goals and ensure future success. We focus on Academic and Career planning in a variety of ways. The bulk of our advisors' time is spent on one-on-one advising with students to address the challenges and explore the opportunities unique to their individual situations.

Please submit your registration by February 15, 2019. For more information about the La Crosse Promise Future Centers, email us at info@lacrossepromise.org or call 608.789.2049.
