

FUTURE CENTER FAIRS EVENT INSTRUCTIONS

Tuesday, March 19 at Logan HS and Tuesday, March 26 at Central HS
10 A.M. TO 1 P.M.

Thank you for participating in the Future Center Fairs hosted by La Crosse Promise.

These events are designed to connect students with organizations in our community as part of our ongoing efforts to help them plan for successful futures. The goal is to bring the "future" to the students so they can ask questions about career fields, find resources, explore jobs and discover the world of work and educational opportunities through connecting with the community.

Note: These are high school students who may be uncomfortable approaching adults they don't know. While we have worked with some of the students to prepare them for these events, we ask that you be as outgoing as possible to engage with them.

Pizza, fruit and water will be provided for our participants during the event.

We look forward to seeing you!

Set-up and Parking Set-up begins at 9 a.m. on both days.

Tuesday, March 19 at Logan High School, 1500 Ranger Drive:

- If you have items that need to be unloaded, volunteers will be available to assist you at the south doors.
- Park in the field lot (runs parallel to the football field, behind the press box). You can also park in the middle and first rows in the lot by the baseball field.
- Volunteers will guide you to the gym.
- At the end of the event, volunteers will help load your vehicle.

Tuesday, March 26 at Central High School, 1801 Losey Blvd:

- There is no available parking in the Central lot. We thank you in advance for your patience. If possible, we suggest that you carpool with your fellow staff (if any) from your organization.
- Festival Foods does not allow event parking in their lot.
- If you have large/bulky items that need to be unloaded, you may pull up to the curb outside of the east doors (the office doors that face the bluffs). Volunteers will be there to help you unload. After unloading, you will have to park on residential streets and walk back to the school and enter in the east doors. Volunteers will guide you to the gym.
- At the end of the event, volunteers will help load your vehicle.
